Common ways we help

New computer setup | Wi-Fi and printer help | Business tech checkups
Office setups and moves | Business email | TVs, streaming and Sonos
AI setup and guidance - standard home or business support rates

Clear expectations before work begins

Rates cover labor for one technician. A second technician is quoted in advance. Equipment, subscriptions and applicable sales tax are extra.

Local travel within 15 miles of Yorktown Heights is included. Travel beyond that area is quoted before booking.

We ask before exceeding the agreed time budget. Approved diagnostic time is billable, including when replacement equipment or specialist service is needed.
